# Food Pantry

Kindergarten students at North Elementary School in Watertown spent the first 100 days of school thinking about their neighbors and raised well over 100 items of food for your Watertown Urban Mission Food Pantry! Thank you to all of the great kids and wonderful teachers who put this together.

Reconstruction of the Mission is well underway. In order for the food pantry to continue to serve individuals and their families, it will stay at the Mission and will serve through a pre-packed method. Food donations are continued to be needed. Keep an eye out for “Buy One Get One Free” sales. We can always take the second item. The Food Pantry is always in need of can openers, as well as cloth bags for those who are walking to and from the pantry.
