Suffering the Consequences

In April of 2013 WPBS-DT recorded a STOP DWI Victims Impact Panel at the Mission. Through touching stories, families discuss the loss of loved ones to drunk driving and the impact the loss has had on their lives.

This DVD is now available for our member churches, at no cost. If you would like to receive a copy, please contact Sal Ciulo, bridge program director, at 315-782-8440

Our friends from Fort Drum Mountain Community Homes, who built new shelves for the Pantry and Critical Needs programs in the basement of your Mission, came through for us in a BIG way. We are stocking them with items we will give away through both programs, which has already cleared up space upstairs to make some room to get ready for our winter supply drive. Thank You!

Critical Needs

Now that the temperatures have started to drop, Critical Needs has begun to give winter gear to those in need! We will accept new and gently used children's and adult's coats, hats, gloves, mittens, scarves, boots, and snow pants throughout the 2013-2014 winter season. If you are interested in the many ways you can help, please call Joanna.

“Whoever is kind to the needy honors God”
