Food Pantry

The Pantry is asking for canned meats, such as tuna, hearty vegetable soups and stews, and canned vegetables. When the colder weather sets in these are the items that tend to go the quickest. Personal Hygiene items such as tooth-paste, toothbrushes, deodorant, and shampoos are always needed as well.

Healthy Cooking Course
Thursday, October 24
2:30 p.m. - 3:30 p.m.

For more information and to register, call Anita @ 782-8440

The United Way of NNY Food Drive was a huge success this year with your Mission receiving about 1,500 items to help restock the pantry. July & August were our busiest months, when working families have to provide extra meals because their children don't have access to school breakfast and lunch; this food will help replenish our supplies. Thank you to our local United Way and all of the generous people who donated to this great event!

Critical Needs

We want to thank you for the incredible amount of support we received for our School Supply Drive. By the start of the 2013-2014 school year, more than 1,200 students in need received supplies to help them start the season right. **THANK YOU!** Now that the temperatures have started to drop, Critical Needs has begun to give winter gear to those in need! We will accept new and gently used children's and adult's coats, hats, gloves, mittens, scarves, boots, and snow pants throughout the 2013-2014 winter season. Last winter, your support enabled us to give warm winter items to well over 1,000 North Country neighbors in need! If you are interested in the many ways you can help, please call Joanna.

“Whoever is kind to the needy honors God”

Proverbs 14:31 (NIV)
