Food Pantry

With the cooler weather setting in many are cleaning out their gardens. We will gladly take any extra veggies! Also, peanut butter, jelly and canned soups are always a need. If you have any questions please contact Anita Ciulo at 315-782-8440.

Thank you for being so flexible during our time of renovations! Please spread the word that we are open to serve and able to accept donations.

The L.E.A.D. Team of the Jefferson County Department of Social Services came through in a big way as staffers collected more than 500 personal hygiene items throughout the month of August. DSS employees donated shampoo, conditioner, soap, deodorant, toothbrushes, toothpaste, toilet paper, feminine hygiene products, and school supplies.

Critical Needs

We want to thank you for the incredible amount of support we received for our School Supply Drive. By the start of the 2014-2015 school year, more than 1,000 students in need received supplies to help them start the season right. **THANK YOU!** Temperatures have started to drop, and Critical Needs has begun to give away warm coats! We will accept new and gently used children's and adult's coats, hats, gloves, mittens, scarves, boots, and snow pants throughout the 2014-2015 winter season. Last winter, your support enabled us to give warm winter items to well over 1,000 North Country neighbors in need! If you are interested in the many ways you can help please call us at 315-782-8440.

“Whoever is kind to the needy honors God”

Proverbs 14:31
