**CRITICAL NEEDS:** With September comes the advent of school, and the fall season. Thanks to your generous donations, local children have started the year off with backpacks and supplies. Now comes preparation for chilly weather, and on a more exciting note, the Christmas season! Critical Needs is now preparing for its annual Coat Drive, for which we are collecting warm winter coats, hats, scarves, and gloves, as well as for our Toys for Tots drive. Please help us keep our neighbors clothed in the cold weather, and share the Christmas spirit with local children. Any winter apparel and new toys can be dropped off at the Mission offices or Impossible Dream. Thank you!

**FOOD PANTRY:** We often think of providing meals for families, but we also serve many single person households. Therefore, food that is easily prepared in smaller portions, which can include: tuna fish, spam, chili, beef stew, raviolis and Hamburger Helper, would be appreciated. Also, if your garden is overflowing, our clients enjoy those fresh vegetables that you might be able to spare. Please be reminded that can openers and plastic bags are always needed. We are grateful for your faithful support of our Food Pantry.
