

"RUN FOR RECOVERY"

In Honor and memory of "Samantha Lucille Turner" 1/24/94 -9/23/16

RUN, RUN, RUN as fast as you can for **Recovery**....

We, Samantha's parents, ***Linda & Richard Turner*** are running for the race of our life. We are "Running" to support the honor and memory of our daughter who had a name...***Samantha Lucille Turner.*** She lost her battle with addiction September 23, 2016. She was not only our only our only daughter, she had a brother Alexander, grandparents, aunts, uncles, cousins, true friends who truly loved her and miss her every day. She ran for the fight of her life for many years to fight the demons of addiction and it was her hope to one day to overcome her addiction , to fight for a life deserving of a beautiful woman with a beautiful soul. Samantha went to our Lord to free herself from the demons that drug addiction consumed her life and overcame her.

Not a day goes buy that we miss our "Baby Girl" and the woman who was destined for great success. Our nights are consumed with grief and emptiness and our days are consumed with the battles she struggled with the and the agony of her pain. No person should half to live a life with the filth that drugs and the addiction created, they deserve better. There are no "Do Overs" in this life. If her father and I could **RUN, RUN, RUN** to heaven beyond the distant star to bring her back, we would take her place among the stars to let her have a second chance.

We humbly and respectfully ask for your support for this cause, "Run For Recovery" in the memory of our child, ***Samantha Lucille Turner.***

***"Just For Today"...I will enjoy what is beautiful, for as I give to the world,
the world will give to me....."Just For Today."***

Love Mom and Dad xxxooo
